

CULTIVATING SOLUTIONS

Insurance for the Agribusiness Industry

Since 1923 Fairmont Specialty has protected the Agribusiness industry. Their absolute value and appreciation for the Agribusiness community has remained unchanged throughout the years. Innovative and cost-effective insurance programs, sound management and a long-term perspective are hallmarks of Fairmont Specialty's ongoing success.

Each customer is supported by a team of knowledgeable, experienced and dependable underwriters, marketing and loss control representatives. Fairmont Specialty will work with you to assess your insurance needs and set coverage objectives. A customized insurance program will be developed to fit your unique operations.
