

UNDER PRESSURE

Insurance for the Welding Supply Industry

Fairmont Specialty has been providing coverage for hazardous industry classes for more than 80 years. That commitment has positioned Fairmont as an industry leader in loss prevention, safety, claims handling and claims settlement. Our proven underwriting expertise with these classes assures that all facets of the operation are thoroughly examined for proper coverage placement.

The first line of defense against rising insurance costs is loss prevention. In a continuing effort to fulfill our commitment, our loss control representatives will review your operation and make recommendations for improvements that will assist you with compliance for safety requirements as well as bring you up to date with current industry standards and regulations. This process will ultimately result in improved efficiencies for your business and the best coverage and pricing structure for your insurance program.

In the event of a loss, our claims team is ready to help. Utilizing a nationwide network of independent adjusters in concert with our in-house claims staff, prompt and fair claims settlement is assured.

COVERAGES: Commercial General Liability (\$1,000,000 per occurrence limit - \$2,000,000 aggregate limit), Employee Benefit's Liability, Stop Gap Coverage (Employers' Liability), Business Auto (\$1,000,000 per accident limit), Property (Real & Personal, Business Interruption), Inland Marine and Crime.
