### **PRIVACY POLICY**

When you apply for any type of insurance you discuss information about yourself. Law regulates the collection, use and disclosure of such information. Insurance Savers Agency, Inc wants you to understand how we gather information about you, and how we protect it.

#### **1. Personal Information Collected from or About You:**

We collect personal information from you or third parties as part of your insurance application, and servicing process for both new business and renewal quoting purposes for example:

- Information we receive from you on your application.
- Information about your transactions with us and our service providers, such as motor vehicle reports, claim history reports, medical information related to claims.
- Information from third parties, such as consumer reporting agencies and State Agencies.
- Information from our or prior insurance carriers.

#### **2. Sharing of Information Gathered**

We may share information about you in the normal business of conducting insurance operations such as providing you with insurance quotations, processing, underwriting, servicing and administering your insurance policy and claims. We are permitted by law to share this information about you with certain third parties. Some examples include:

- Our affiliated insurance companies
- Your state motor vehicle department for obtaining accurate reports
- Insurance Underwriting agencies and claim reporting services
- Insurance regulatory authorities and reporting agencies
- Law enforcement authorities if illegal activity is suspected

#### **3. Protecting Your Information**

We restrict access to non-public personal information about you to those employees and agents who need the information to provide products and services to you. This information is kept internal and we maintain the highest confidentiality standards to prevent any unauthorized dissemination of that information. We will not allow any party to inquire, or modify your insurance contract without prior authorization from you. We maintain physical, electronic and procedural safeguards that comply with our professional standards.

#### **4. Contacting Us:**
